AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, C. Howden, of the Amer. tug "Anna Fox", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

C. Howden

Master, First or Second Officer

1924

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance shall be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees, when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 3, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

Master, First or Second Officer.

Robert R. Roney
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums; or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMER. OIL SCREW F.E. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this FIRST day of DECEMBER, 1954

Stuart A. Tulloch
Master, First or Second Officer.

[Signature]
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. CLIFFORD, MASTER, of the USNS GENERAL W. M. BLACK, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from subdivision B, rule 7, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

H. CLIFFORD
Master ~~XXXXXXXXXXXX~~

Sworn to before me this

day of December, 19

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

Par. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at such port a list containing the names of all alien employees who are employed thereon at the time of the arrival of such vessel or aircraft, and of all alien passengers who are on board such vessel or aircraft, and of all persons who will leave such port thereon at the time of the departure of such vessel or aircraft, and of all persons who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the case of a vessel engaged solely in traffic on the coast of the United States, or in the Gulf of Mexico, or in the Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(4) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists of reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, if requested by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be, a fine of \$100 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. If such aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the fine-refund, clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

CHAPTER 8 - Section 271 of Public Law 414

effective December 24, 1952 reads as follows:

(a) It shall be the duty of every person, including the owners, masters, officers, and agents of vessels, aircraft, transportation lines, or international bridges or toll roads, other than transportation lines which may enter into a contract as provided in Section 238, bringing an alien to, or providing a means for an alien to come to, the United States (including an alien crewman whose case is not covered by Section 254 (a) to prevent the landing of such alien in the United States at a port of entry other than as designated by the Attorney General or at any time or place other than as designated by the Immigration Officers. Any such person, owner, master, officer, or agent who fails to comply with the foregoing requirements shall be liable to a penalty to be imposed by the Attorney General of \$1,000 for each such violation, which may, in the discretion of the Attorney General, be remitted or mitigated by him in accordance with such proceedings as he shall by regulation prescribe. Such penalty shall be a lien upon the vessel or aircraft whose owner, master, officer, or agent violates the provisions of this Section, and such vessel or aircraft may be libeled therefor in the appropriate United States Court.

(b) Proof that the alien failed to present himself at the time and place designated by the Immigration Officers shall be prima facie evidence that such alien has landed in the United States at a time or place other than as designated by the Immigration Officers.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Rupert Protheroe - Master, of the Can. o/s. MARPOLE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 2

day of Dec

1954

Rupert Protheroe Master or First or Second Officer.

Robert H. Brown Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Ralph Gibson, of the SS Oregon, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 3 day of December, 19 34
Robert Robinson
 Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

SEC. 261. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the consular agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all the employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have been employed on such vessel or aircraft; and (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists of reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, if required by the Attorney General, pay to the collector of customs, of any customs district in which the vessel or aircraft may be found, a fine of not less than the sum of \$10 for each alien concerning aircraft shall be granted clearance from any port at which it arrives pending the determination of the question. No such vessel or aircraft shall be permitted of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Master, First or Second Officer.

Richard H. Stutts
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer of a vessel or aircraft fails to comply with the provisions of this section, he shall be liable to a fine of not more than \$1,000 or to imprisonment for not more than six months, or both, at the discretion of the court.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of this chapter.

 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

CHAPTER 8 - Section 271 of Public Law 414
effective December 24, 1962 reads as follows:

(a) It shall be the duty of every person, including the owners, masters, officers, and agents of vessels, aircraft, transportation lines, or international bridges or toll roads, other than transportation lines which may enter into a contract as provided in Section 238, bringing an alien to, or providing a means for an alien to come to, the United States (including an alien crewman whose case is not covered by Section 254 (a) to prevent the landing of such alien in the United States at a port of entry other than as designated by the Attorney General or at any time or place other than as designated by the Immigration Officers. Any such person, owner, master, officer, or agent who fails to comply with the foregoing requirements shall be liable to a penalty to be imposed by the Attorney General of \$1,000 for each such violation, which may, in the discretion of the Attorney General, be remitted or mitigated by him in accordance with such proceedings as he shall by regulation prescribe. Such penalty shall be a lien upon the vessel or aircraft whose owner, master, officer, or agent violates the provisions of this Section, and such vessel or aircraft may be libeled therefor in the appropriate United States Court.

(b) Proof that the alien failed to present himself at the time and place designated by the Immigration Officers shall be prima facie evidence that such alien has landed in the United States at a time or place other than as designated by the Immigration Officers.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OIL SCREW F. F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

H. J. Hellman

Sworn to before me this FIFTH day of DECEMBER, 1954 Master, First or Second Officer.

John E. Young
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **D. A. DURRANT** **MASTER** of the **S.S. WASHINGTON MAIL**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this _____ day of **DECEMBER**, 19 **54**

Master, First or Second Officer.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.* (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164, 165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **D. A. DURRANT**, **MASTER**, of the **S. S. WASHINGTON MAIL**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 5 day of DECEMBER, 19 54

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of charges of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 149) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this _____

Joseph Natoli
Master, First or Second Officer
19____

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of charges of alien members of crews (Form 1-480) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway," a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.15, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily, for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiner), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$100 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 48 Stat. 816, 8 U. S. C. 167 & 167a.)

 Master, First or Second Officer

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of charges of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all persons employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 165.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to depart such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may upon application in writing therefor mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 1, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816, 8 U. S. C. 167, a, 167 (c).)

I, **JOSEPH NATOLI**, of the **USNS MARINE ADDER, T-AP 193**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 6th day of DECEMBER, 19 54.

Robert H. Kline
Immigrant Inspector.

Joseph Natoli
Master, **USNS MARINE ADDER, T-AP 193**

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of charges of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all persons employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who those, if any, who have deserted, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.* (39 Stat. 896-897, 8 U. S. C. 171.)

Sec. 120.12 Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of having been served, the deposit specified in § 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 38 Stat. 816; 8 U. S. C. 167 a, 167 c.)

C. Howder
Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. Immigration Officer John E. Young

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, TILMAN C. DAGLE, of the NOMAD, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Dec

1954

Master, First or Second Officer.

John E. Young
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12 Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816, 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OIL SCREW F. F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this EIGHTH day of DECEMBER, 19 54
J. E. Young Immigration Officer. Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. B. KROH, of the BUFFALO, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 9 day of Dec, 1954
John E. Young
 Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Richard H. Stutson, Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I, G. Dahlquist, master, of the swedish mv "CANADA", do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 9 day of December, 1954.

1954

A. Richard McCallum
Immigration Officer.

G. Dahlquist
Master, SWEDISH MV "CANADA"

IMPORTANT NOTICE TO MASTER

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, captain, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien passengers and crew employed on the vessel or aircraft, and the date of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft; and (2) a list of all alien passengers who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (3) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$100 for each alien, of whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or otherwise abated, and clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

EXTRACT FROM SUBDIVISION B, RULE 7

PAR. 6. Clearance shall not be granted any vessel until the lists required by section 36 of the Act of February 5, 1917, have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said act having been served, the deposit specified in rule 23 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Secretary of Labor may prescribe for the ultimate departure, removal, or deportation of such alien from the United States.

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Secretary of Labor to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Secretary of Labor.

(c) If the Secretary of Labor finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, SC McEllen, of the SS Princess Joan, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

9th

day of

December

1954.

Geo. R. Ruff
Immigrant Inspector.

SC McEllen
Master, Princess Joan

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A Parker Master, of the Tay La Belle, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

A Parker Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Adolphus Prime, of the Marilla Prime, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 1st day of June, 1952, at St. Louis, Mo.

Robert H. Thompson
Immigration Officer

A. Prime
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

(M1) 70/54-12 22

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. P. Nelson, Master, of the S/S FLYING DRAGON, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of December, 1954

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Captain Raoul de BEAUDEAN, Master** of the **French M/S - VIMIPES -** do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19__

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, P. VALVATNE, master of the Norwegian M/V Ogeta Bakke, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Dec

1954

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, as the case may be, shall be fined the sum of \$10 for each alien concerning which such lists are not delivered or such reports are not made as required in the previous subsection. If such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability of the owner of such fine, and if such fine is imposed, while it remains unpaid, No such fine shall be sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **KENNETH MC ALPIN, MASTER** of the **S.S. OREGON MAIL**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this **12th** day of **December**, 19**54**

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 38 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. R. TRAIL, of the STANDARD SERVICE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 12 day of Dec, 19 54

John E. Young
Master, First or Second Officer.

John E. Young
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HENRY J. HELLMAN, MASTER, of the AMERICAN MV F. F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 12 ¹³TH day of DECEMBER, 19 54.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **KENNETH A. McCANN, Master**, of the **USNS GENERAL JOHN POPE (T-AP 110)**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this **Thirteenth** day of **December**, 19**54**

Robert H. Brown
Immigrant Inspector.

Kenneth A. McCann
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-189) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigration Officer.

Master, RUTH ANN

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HENRY J. WELLMAN, MASTER, of the AMERICAN MV F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 15TH day of DECEMBER, 1954.

Master, ~~XXXX XXXXXX~~

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master, _____

John E. Young

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ROBERT W. PRINCE, of the SS. VAS, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 15 day of Dec., 1954
John E. Young Immigration Officer.
R. Prince Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Richard W. Hilditch

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 26. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of such lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and in such case such fine shall be granted clearance pending the determination of the question of the liability to the payment of such fine; and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 26 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 165.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 48 Stat. 816, 8 U. S. C. 167, as amended.)

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. E. P. Ryan, of the State of Texas, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 16 day of Dec, 1954

J. E. P. Ryan
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereat the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsection. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the collector of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Raymond E. ... of the U.S.S. ... (1-AP 1924) do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Raymond E. ...
Master, First or Second Officer

Sworn to before me this 16 day of December, 1934

Robert H. ...
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-404) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all crews employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, but who those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$200 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 38 Stat. 816, 8 U. S. C. 167 (a), 167 c.)

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "Workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at that time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless

an alien crewman has been permitted to land temporarily under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs: upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

CHAPTER 8 - Section 271 of Public Law 414

effective December 24, 1952 reads as follows:

(a) It shall be the duty of every person, including the owners, masters, officers, and agents of vessels, aircraft, transportation lines, or international bridges or toll roads, other than transportation lines which may enter into a contract as provided in Section 238, bringing an alien to, or providing a means for an alien to come to, the United States (including an alien crewman whose case is not covered by Section 254 (a) to prevent the landing of such alien in the United States at a port of entry other than as designated by the Attorney General or at any time or place other than as designated by the Immigration Officers. Any such person, owner, master, officer, or agent who fails to comply with the foregoing requirements shall be liable to a penalty to be imposed by the Attorney General of \$1,000 for each such violation, which may, in the discretion of the Attorney General, be remitted or mitigated by him in accordance with such proceedings as he shall by regulation prescribe. Such penalty shall be a lien upon the vessel or aircraft whose owner, master, officer, or agent violates the provisions of this Section, and such vessel or aircraft may be libeled therefor in the appropriate United States Court.

(b) Proof that the alien failed to present himself at the time and place designated by the Immigration Officers shall be prima facie evidence that such alien has landed in the United States at a time or place other than as designated by the Immigration Officers.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, William W. Winton, of the State of Illinois, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

Master, First or Second Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

W. Henderson Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19____

Richard H. Hutton
Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **B. A. NISSEN, Master**, of the **USNS GENERAL WILLIAM WEIGEL, T AP 119**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this **16th** day of **December**, 19**54**

Master **B. A. NISSEN**

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required, and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fines are imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. 39 Stat. 896-897, 8 U. S. C. 171.

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169), having been served, the deposit specified in §§ 160.13, 160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs; upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816, 8 U. S. C. 167 a, 167 c.)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the Steamer, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 17th

day of December

19 41

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMER OIL SCREW E.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this EIGHTEENTH day of DECEMBER, 1954.

[Signature]
Master, First or Second Officer.

[Signature]
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage.
I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and
copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this _____ day of _____, 19____.

Master, First or Second Officer

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this _____ day of _____, 19____

Master, First or Second Officer

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsection. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, William J. Hall, of the U.S.S. Standard, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 20 day of Dec, 1954

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigration Officer

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, William Boyce, Master of the M/V UNITANKER, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

20th

day of

December, 1954.

Master, William C. Boyce

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

323/54

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

CHAPTER 8 - Section 271 of Public Law 411
effective December 24, 1952 reads as follows:

(a) It shall be the duty of every person, including the owners, masters, officers, and agents of vessels, aircraft, transportation lines, or international bridges or toll roads, other than transportation lines which may enter into a contract as provided in Section 238, bringing an alien to, or providing a means for an alien to come to, the United States (including an alien crewman whose case is not covered by Section 254 (a) to prevent the landing of such alien in the United States at a port of entry other than as designated by the Attorney General or at any time or place other than as designated by the Immigration Officers. Any such person, owner, master, officer, or agent who fails to comply with the foregoing requirements shall be liable to a penalty to be imposed by the Attorney General of \$1,000 for each such violation, which may, in the discretion of the Attorney General, be remitted or mitigated by him in accordance with such proceedings as he shall by regulation prescribe. Such penalty shall be a lien upon the vessel or aircraft whose owner, master, officer, or agent violates the provisions of this Section, and such vessel or aircraft may be libeled therefor in the appropriate United States Court.

(b) Proof that the alien failed to present himself at the time and place designated by the Immigration Officers shall be prima facie evidence that such alien has landed in the United States at a time or place other than as designated by the Immigration Officers.

I, ANDREW HAUGEN, Master of the 308 USNS GEN. A.D. FREEMAN (T-4P142), solemnly swear that the foregoing lists Nos. 101 to 103, and manifests Nos. 1-54 to 2-54, subscribed by me, and now delivered by me to the Collector of Customs at the Port of Seattle, Washington, are full and perfect lists and manifests of all the passengers taken on board the said vessel at Yokohama, Japan, from which port said vessel has now arrived; and that on the said documents are truly shown the name of each passenger, his age and sex, whether married or single, whether a cabin or steerage passenger and, if other than cabin, location of compartment or space occupied during the voyage, whether a citizen of the United States, and the number and description of the pieces of baggage, and the name and age of each deceased passenger and the cause of his death.

Sworn to before me this .

Andrew Haugen
Master

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of charges of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway," a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 366. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, and the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged; and the principal immigration officer shall have the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who were employed on such vessel at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have been engaged on board in case of the failure of such owner, agent, consignee, or master so to deliver either of said lists of such aliens arriving and departing; and the principal immigration officer shall have the duty to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of the port of arrival, in each such case, a fine of not more than \$10 for each alien concerning whom correct lists are not delivered or a true and correct report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 35 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative department prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

thereof who fails to detain on board any alien seaman, or master of any vessel arriving in the United States from any place outside arrival has inspected such seaman (which inspection in all cases shall include a personal examination by medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon deposit of such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General.

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively held in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert Earl Lusk, Master, of the United States Motor Vessel "L.V. 111", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 36 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917

Sac. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Adolphus Prince of the Amelia Prince, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 17 day of August 1952

Immigration Officer.

A Prince
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, R. E. Smith, of the United States, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 21 day of March, 1954

Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____ of the _____, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19____, _____

 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such fine shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Roy Barbeau, of the Hercules, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 22nd day of June, 1954
M. L. Jones
 Immigration Officer.

Roy Barbeau
 Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Masakichi SHIINA** **Master** of the **M. S. "HIKAWA MARU"**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19____

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1953)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Masakichi SHIINA**, Master, of the M. S. "HIKAWA MARU", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19____

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master, First or Second Officer.

E. J. Martin
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jens Olsen, Master, of the Norwegian M/V "Venture", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 16th day of December, 19 54.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), he shall be fined not more than \$100, or imprisoned not more than six months, or both, at the discretion of the court. If any owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, fail to the satisfaction of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien of whom such lists are not delivered or such reports are not made as required in the preceding subsection, such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the court as to whether or not the payment of such fine, and if such fine is imposed, while it remains unpaid, shall be a condition of the vessel's or aircraft's departure from such port. Clearance may be granted prior to the determination of such question upon deposit of a bond in such sum as the court may determine to be sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from, the United States, and such regulations shall be promulgated in accordance with the provisions of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John A. [Signature], of the S.S. Washington, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 11 day of November, 1934

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMER OIL/SCREW F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Stuart A. Tulloch
Master, First or Second Officer.

Sworn to before me this TWENTY FOURTH day of DECEMBER, 19 54

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ROBERT S. ALTON, Master, of the S.S. CECIL E. BEAN, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 12 day of Dec, 1952
[Signature]
 Immigration Officer.

[Signature]
 Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port a list containing the names of all the employees who were not employed the last of the time of the arrival at that port but who will leave such port thereon at a later date, and of those, if any, who have been paid off or discharged, and of those, if any, who have been discharged or suspended for disciplinary reasons. The Attorney General, such a list containing so much of such information, or such additional or supplementary information, as he may deem proper, in accordance with the provisions of the laws of the United States relating to the collection of information, and the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in trade on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(4) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists, reports of aliens, or to report cases of desertion or delinquency as required by subsections (a), (b), and (c), and any agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel is detained, a fine of not more than \$100 for each alien, or of customs whom such lists are not delivered or such reports are not made by any time he found the same, and for each alien concerning aircraft shall be granted clearance from any port at which it arrives pending the determination of the collector. No such vessel or aircraft shall be permitted to leave the port until the fine is paid, and the amount of such fine, and if such fine is imposed, while it remains unpaid, shall be a lien in favor of the United States on the vessel or aircraft. Clearance may be granted prior to the determination of such question upon payment of a bond or sum sufficient to cover such fine.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMERICAN MV F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 29TH day of DECEMBER, 1954

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, George Deberine, of the Canadian SS Master, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Deberine

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. M. O'Brien, of the SS Bernhardt Silverbow, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

day of

J. M. O'Brien
Master, ~~First or Second Officer~~

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. M. O'Brien, master, of the S. Permanente Salvador, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

29th

day of December

1917

Master, J. M. O'Brien

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such such fine shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 3, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

Master ~~Commander~~ Officer.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine proscribed by said section or to that proscribed by section 36 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **GUY S. THOMPSON MASTER**, of the **S.S. COLORADO**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 26 day of **DECEMBER**,

Guy S. Thompson
Master, **SS. COLORADO**

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required in section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 3, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Richard H. Hutton, of the United States of America, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the Secretary, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens on board the vessel, stating the positions they respectively hold in the ship or company, when and where they were respectively shipped or engaged, and the requirements they are to be put off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall from time to time prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all such alien seamen who have been employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of all such alien passengers who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or of such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien coming within whose correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance to return to the port of origin or to any other port until the full amount of such fine has been paid; and if such fine is imposed, while it remains unpaid, no such vessel shall be permitted to be admitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of such fine as shall be sufficient to cover such fine. Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively held in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

I, Martin, of the S. S. Marie Phoenix, from San Francisco,
(State whether Master, or First or Second Officer)

do solemnly swear that I have caused the surgeon of the said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing manifest sheets; that from the report of the said surgeon and from my own investigation I believe that no one of the said aliens is of any of the classes excluded from admission into the United States by the laws regulating immigration; and that also, according to the best of my knowledge and belief, the information contained in the said lists Nos. 1 to — of United States citizens and nationals and manifests Nos. 1 to — of aliens concerning each of the persons named therein is correct and true in every respect. I do further solemnly swear that, to the best of my knowledge and belief, the said vessel is owned by MSTS, whose address is Box 37 Seattle, Wn.; that the local agents for the said vessel for the trip reported in this manifest are MSTS, whose address is same; and that any transactions concerning head tax for alien passengers shown by this manifest should be made with —, whose address is —.

Sworn to before me this 3rd
day of January, 1955
at Seattle, Wn.
John L. Lapom
Immigrant Inspector.

Re. Martin
Martin Officer

(2)

I, —, surgeon of the S. S. —, do solemnly swear that I have had — years' experience as a physician
(State whether surgeon "sailing therewith" or "employed by owners thereof" as the case may be)
and surgeon and am entitled to practice as such by and under the authority of —; that I have made a personal examination of each of the aliens named herein; and that the information contained in the foregoing manifests Nos. — to —, according to the best of my knowledge and belief, is full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this —
day of —, 19—
at —

(Signature and title of immigrant inspector or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigrant inspector at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

(3)

I, —, Master of the S. S. —, do solemnly swear that the foregoing lists Nos. — to —, and manifests Nos. — to —, subscribed by me, and now delivered by me to the Collector of Customs at the Port of —, are full and perfect lists and manifests of all the passengers taken on board the said vessel at —, from which port said vessel has now arrived; and that on the said documents are truly shown the name of each passenger, his age and sex, whether married or single, whether a cabin or steerage passenger and, if other than cabin, location of compartment or space occupied during the voyage, whether a citizen of the United States, and the number and description of the pieces of baggage, and the name and age of each deceased passenger and the cause of his death.

Sworn to before me this —, Master

John H. Hickey
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1953)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John Frawley, of the SS Green Harbor, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs, except that clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, may be granted prior to the determination of the question of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John Hawley, of the S.S. Green Haven, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees: when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section shall apply to all penalties arising subsequent to June 5, 1910.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9, opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the Act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Norman C. Trimble
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

Master-Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the Steamer, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

1955

William T. Kagle
Master, First or Second Officer.

James E. Lane
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ROLF JORGENSEN, MASTER, of the NORW. M/S "VIGAN", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

5th day of January, 1954
Just L. Giles
Immigration Officer.

R. Jorgensen
Master, Pilot or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HENRY J. HELLMAN, MASTER, of the AMERICAN MV F. F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 6TH day of JANUARY, 1955.

 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-189) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **WM. ERICKSON**, of the **AM. M. V. PATRICIA FOSS**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 6 day of January, 1934

 Immigrant Inspector.

Wm. Erickson
 Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.
